# 2025 ENERGY EFFICIENT REBATE PROGRAMS

Since 1985, Tri-State and Socorro Electric Cooperative, Inc. (SEC) have partnered to promote the wise use of electricity, energy efficiency, and implementation of new electric technologies. Today, Socorro Electric is helping members move forward to promote beneficial electrification to increase efficiency and productivity, create sustainable load growth, reduce carbon emissions, and enhance safety.

Product eligibility and rebate incentives are subject to change, please contact SEC to verify program participation before making any purchases or applying for incentives.
