

POSITION POSTING

Staking Technician

Available: 1 Position

The Staking Technician position performs various staking tasks, including but not limited to designing construction and retirement of the co-op's electric distribution system. The employee is regularly required to stand, walk, or sit.

JOB RESPONSIBILITIES:

- Responsible for single and three-phase designs of overhead and underground electric distribution systems for commercial and residential areas;
- Good understanding of electric distribution systems;
- Experience with Microsoft Office and Futura System software;
- Ability to read, interpret and understand construction specifications, easements, and legal descriptions;
- Research and obtain easements, rights-of-way, and statements of authority as required.
- Other duties as assigned

JOB REQUIREMENTS:

- Must be a self-motivated individual with a high level of accuracy and the ability to analyze details;
- The ability to work independently and with other Departments of the cooperative.
- Responsible for project management duties to ensure timely and accurate preparation of designs, staking sheets, and cost estimates;
- Candidates must have the ability to interpret a variety of technical instruction in mathematical or diagram form and deal with abstract and concrete variables;
- Ability to react to change productively and to handle a high workload;
- Ability to use an electronic digital transit, a measuring wheel, range finder, and Trimble R2.
- Excellent communication skills, both verbal and written, and strong math skills;
- Must have a valid driver's license.

A candidate must have:

- *High School Diploma or equivalent.*
- *High level of computer functions.*
- *Three years of field experience designing and staking single and three-phase distribution systems with an electric utility.*
 - *Additional education or training related to computer-aided design and/or automated mapping*
 - *Additional education or training related to the fundamentals of electricity*
- *Experience as a Power Journeyman Lineman*
