

SEC OFFERS MOBILE APP TO MEMBERS

SEC understands that our Members may be concerned about being in public and increasing their exposure to illness so we want to remind you of another option you have to conduct business with us and for paying your electric bill.

Downloading our Mobile Apps will provide a fast, convenient and healthy way to continue doing business with us.

With these mobile Apps for smart phones and mobile devices, you'll have one-touch access to fast, secure account information.

You can view your bills and make payments, manage your alerts and reminders, and even receive push notifications!

Our Apps for iPhones®, iPads® and Android™ devices will also give you quick access to our contact information, office addresses and hours, and other payment locations.

To utilize the Mobile Apps you must FIRST set up your account on our "Customer Service Portal" at <https://billing.socorroelectric.com/oscp/>
